Terry is out until Monday and he'll need to weigh in. So, I think it will have to wait.

Well shoot! It might have to wait until I get back to my office in Monday if that is ok! It might just be my phone but Len wanted the info to go to the town attorneys and not to Fagre

Strangely, I got an E-mail from Len that said to use only the sewer board attorneys. I will forward.

Beth/Lynn:

I received a confirmation from Max Kelin of Faegre Baker and Daniels through Terry Branigan our ORC attorney that the letter we had prepared should go to Scott Lewis, the Sewer Board attorney with a copy to Len Ashack and additionally to Scott Chinn (the author of the original request for revision of the LTCP).

As Paul Novak has already signed the letter, may we get your/his concurrence to add Mr. Chinn's name to the list of cc's?

This would expedite the process.

Thanks.
